Pag-IBIG opens second branch in CDO for members in western Misamis Oriental and Bukidnon

## **CDO West Branch Inauguration**

Pag-IBIG Fund President and Chief Executive Officer Atty. Darlene Marie B. Berberabe and Cagayan de Oro City (CDO) Mayor Hon. Oscar S. Moreno recently led the inaugural ceremony of the 222-sq.m. Pag-IBIG CDO West Branch office located at the ground floor of Stary Building, Max Suniel St., Barangay Carmen, CDO.

“With the Philippine economy continuing to flourish, the Pag-IBIG Chairman of the Board of Trustees, Vice President Jejomar C. Binay, wants Pag-IBIG to be proactive in growing our business, so that our members will find it easy and convenient to access the many benefits of being a Pag-IBIG member. Opening more branches to service more of our 14 million-strong members is one such concrete way of doing so. We recognize the huge potential for business in CDO, with its booming economy, thus, we have no less than two branches operating within the city, along with one service desk at Robinsons Mall and another in Gingoog City. With the new branch servicing the western part of CDO, registered members and employers in the area won't have to travel far just to transact with us,” said Atty. Berberabe.

Services offered by Pag-IBIG CDO West Branch include receiving of membership contribution obligations from employers, individual payors, and self-employed members, as well as members' savings under the Modified Pag-IBIG 2 Program. Member-borrowers can update their housing loan or short-term loan amortization payments and file their applications for membership, housing, multi-purpose, and calamity loans.

The Pag-IBIG CDO West Branch is headed by Ms. Jonna P. Neri and serves almost 42,000 employees and more than 900 registered employers. It covers 191 Barangays within the western parts of Misamis Oriental and Bukidnon provinces, including 11 municipalities as well as El Salvador City and western CDO. Ms. Susan M. Cezar heads the other Pag-IBIG office in the city which serves the eastern part of Misamis Oriental, the Pag-IBIG CDO Central Branch, located in J.R. Borja along Mortola Street. Pag-IBIG also has service desks at the Lingkod Pinoy Center inside Robinsons Mall in Limketkai Center and at the entrance of Gingoog City Public Market.

To date, Pag-IBIG serves more than 1.3 million members in Mindanao through 17 branches and 5 service desks across the area. (JRS/Faye)
