*“The Pag-IBIG Fund raffle promo, which encourages the members to upgrade their savings with Pag-IBIG Fund, is an advocacy campaign of the agency. By encouraging the culture of savings, our 13.6 million members can fully enjoy the Pag-IBIG Fund benefits, not only in terms of applying for loans but also in maximizing the dividends they can earn. This concept is aligned with President Rodrigo Roa Duterte’s directive to provide our Filipino workers with access to social benefits. From the upgraded savings contributed by the 186,761 members who joined the promo, Pag-IBIG Fund was able to collect more than P1.2 billion. This will allow Pag-IBIG Fund to finance housing projects for low-income members,”* said Pag-IBIG Fund Chief Executive Officer (CEO) Acmad Rizaldy P. Moti.

Pag-IBIG Fund Deputy CEO for Member Services Cluster Alexander Hilario G. Aguilar said, *“There are no losers in this promo. While there are only selected winners for our prizes, every member who upgraded his savings has already won with the value of dividends that his Pag-IBIG savings will earn. Last year, we declared a 7.61% dividend rate, which is already higher than other savings instruments. This year, we are working hard to make it even better.”*
