Araw ng Pag-IBIG’, our unmarried members realize their dream of having a formal wedding and, eventually, that of owning a house. Our target beneficiaries are the low-income members consisting of kasambahays, transport workers, market vendors, and the like. This initiative supports President Rodrigo Roa Duterte’s pro-poor agenda and Secretary del Rosario’s vision of a better life for Filipino families, especially those that belong to the underserved sector,”* CEO Moti said.
